

## Key

- |   |                              |   |  |
|---|------------------------------|---|--|
|  | Residues of first surface    |  | Residues involved in hydrophobic contact(s)            |
|  | Residues of second surface   |  | Corresponding atoms involved in hydrophobic contact(s) |
|  | Hydrogen bond and its length |   |  |
