

## Key

- |   |                              |  |  |
|---|------------------------------|--|--|
|  | Residues of first surface    |  His 53 | Residues involved in hydrophobic contact(s)            |
|  | Residues of second surface   |         | Corresponding atoms involved in hydrophobic contact(s) |
|  | Hydrogen bond and its length |  |  |
